Tents, sizes and prices

T11 · YURTS

Yurt 16 FT

On enquiry
quoted to your size and cloth

Lattice wall, timber crown, canvas skin.

A true yurt structure, with an expanding lattice khana, radial rafters and a compression crown, skinned in heavy canvas. It is warmer and quieter than any pole tent, and feels more permanent.

Size	4.9 m Ø · 2.0 m wall · 3.0 m crown
Capacity	4 people
Weight	210 kg
Waterproofing	1,800 mm water column
Cloth & frame	480 gsm treated cotton canvas · Seasoned hardwood lattice and rafters · Steel-ringed compression crown · Wool-blend insulating liner

Colours Natural Canvas · Desert Sand · Olive Drab

T12 · YURTS

Yurt 20 FT

On enquiry
quoted to your size and cloth

The permanent room that still packs down.

Six metres of yurt: a full suite footprint with the acoustic calm of a solid building. Ordered for flagship keys, wellness pavilions and owner residences.

Size	6.1 m Ø · 2.1 m wall · 3.5 m crown
Capacity	6 people
Weight	295 kg
Waterproofing	1,800 mm water column
Cloth & frame	520 gsm treated cotton canvas · Seasoned hardwood lattice and rafters · Steel-ringed compression crown · Wool-blend insulating liner

Colours Natural Canvas · Desert Sand · Olive Drab

HOW TO ORDER

From this list to a tent on your site.

1

Choose

Note the code of each tent and size you want, and the cloth it should be cut in. Tell us the site and how many you need.

2

Quotation

We reply with a quotation: the tents, and freight, duties and packing as separate lines.

3

Making

Custom sizes get a measured drawing for your approval first.

New Delhi 110006, India
Makers of canvas tents since 1984, exporting to 20+ countries.

READING THE PRICES

- Prices are ex-works in US dollars, per tent, and exclude GST and freight.
- Every figure is the one published on our canvashome.com price lists.
- A tent marked "On enquiry" has no published list price. Send us its code and we quote it to your size and cloth.
- The Swiss cottage list is published in rupees; it is shown in dollars at exactly ₹100 to $1, not rounded.
- Freight, duties and packing are quoted as separate lines on your quotation.
- There is no minimum order: any piece can be bought as a single unit. Trade pricing applies on volume.
- Any tent can be cut to your own dimensions. A measured drawing is approved before anything is cut.
- Groundsheets, sod cloths and liners are ordered and priced separately from the tent.
- Fire-retardant cloth is available with certification. Where a list does not price it, it is quoted.
- Prices were correct in November 2026 and are confirmed on your quotation.
